Dear Jennifer,

Thank you very much for your thoughtful letter.

It has been my pleasure working with you redesigning your vehicle fleet. Your quick response to my inquiries and attention to detail really made it easy. Every person I have come in contact with on the PURO-TEC team has been pleasant, helpful and professional. We believe that customer service is the most important part of our job to keep existing business and attract new clients.

Additionally, I love the way your vehicles turned out. It is a professional, clean design that is easily readable from a distance. I know it will help make a great impression on your clients and associates, as well as attract new ones.

Thank you for your business. I look forward to working with you in the future for all your vehicle graphics and sign needs.

Sincerely,

Michele Pilieri
