Friends of the Philadelphia Animal Control Shelter

March 20<sup>th</sup>, 2014

Puro-Tec LTD  
725 Wicker Ave  
Bensalem, PA 19020

Dear Puro-Tec LTD,

On behalf of Philadoptables we would like to thank you for taking your time to pick up food for Philadelphia's shelter animals. Your commitment to helping Philadelphia's homeless animals is sincerely appreciated. We value your partnership to assist us with getting the animals the donated food.

Any donations are tax deductible and go to support Philadoptables and generating awareness, supplies, equipment, and involvement for Philadelphia's animal control shelter.

Philadoptables is an independent non-profit corporation that provides support for adoption, welfare, and outreach programs that benefit the 30,000+ animals received each year by the Philadelphia Animal Control Shelter, the Delaware Valley Region's largest open-door municipal animal shelter.

By working with volunteers, animal welfare groups, organizations outside the animal network, and communities throughout the Delaware Valley Region, our goal is to save lives and to build a better community – for people and animals alike – by:

- ***Increasing the number of animals saved through adoptions, fosters, and rescues from the Philadelphia animal control shelter;***
- ***Improving conditions at the shelter by supporting essential services not funded by the City's animal control budget;***
- ***Educating the public and generating community involvement with the shelter and the animals in its care.***

Thanks again for your generous support of our efforts.

Best wishes,

*Christa J. Policella*
