Dear Mr. Ferris:

In reviewing our records, we noted that as the result of a record keeping error we did not acknowledge your donation to the Puerto Rican Cultural Association of Bucks County this past summer. We truly appreciated the loan of a back-up generator (\$600 value). The Bristol Puerto Rican Day Festival would not be the success that it is every year without the support of community service oriented individuals, organizations and businesses such as yours. In addition to the cultural events presented at the festival each year, our future plans are to establish a scholarship fund. We would like to offer our sincere apologies to you for the late acknowledgement of your donation. Your support is sincerely appreciated. Please join us in celebrating the 40<sup>th</sup> Puerto Rican Day Festival on July 31, 2011.

Best wishes,

Rosie Torres, President
